Sir:

Applicants request a Corrected Filing Receipt in view of an error in the original filing receipt. More particularly, the application's title should end with --ACID-- and the second inventor's name should be Jarmo Laihia. A marked-up copy of the filing receipt showing the error is attached for the convenience of the Office.

Issuance of a corrected filing receipt showing the correct title of the application and spelling of the second inventor's name is requested.
